COVID-19 Statement

Balestrieri is committed to remaining open as long as it is safe for our employees. We understand the critical nature of the services we provide to our clients and are doing everything possible to maintain continuity.

Our employees are following CDC recommendations on cleanliness, social interaction and virus defense.

We will continue to monitor the situation, adjust as necessary and communicate timely updates.

On behalf of the entire Balestrieri Team we sincerely appreciate the opportunity to work with you and to continue to provide the supreme level of service that you have grown accustomed to from our team.
